

International Tourism Management Students join Exchange Program to Guilin University of Aerospace Technology in China

On 26 March 2019, accompanied by *Asst. Prof. Dr. Janchai Yingprayoon*, 23 students from International College, Suan Sunandha Rajabhat University departed for Guilin, China in the Student Exchange Program under the Memorandum of Understanding between International College, Suan Sunandha Rajabhat University and Guilin University of Aerospace Technology, with the financial support of Suan Sunandha Rajabhat University (under the Fast Track Program). The two lecturers from Tourism Management Program also sent them off at Suvarnabhumi Airport. These 23 students are from Tourism Management Program, Hotel Management Program (Hotel Management Major and Restaurant Business Major) and International Business Program, who will take the Chinese language and culture courses during March 26 and July 13, 2019. Before departing, the Dean of International College also gave them useful advices how to live and study abroad with happiness. Lastly, the students will be the representative in making good reputation and positive image to the university while studying in China.
