

## Best Researcher Student from Tourism Management Program

Miss Onnatcha Yoosuk, 3<sup>rd</sup> year Tourism Management Program student won the first vote evaluated from her research paper and oral presentation by the committees. She will be granted a scholarship from SSRUIC for attending an international conference, to present her research paper titled "Graffiti and Street Arts for Tourism Promotion: A Case of Baan Pong District, Ratchburi Province, Thailand". Congratulations for her! After this her research paper will be polished to be more academic and professional again. Research papers of other students can also be published in national and international journals, with attention to second revision advised by our lecturers before.
